New Website Trial

I've been working on a new website. It will feature sound and video. It is in beta-trial form and I'd love to have your opinion on it as I go along. If you'd like to help me out, you can view it at <http://haightguitars.startlogic.com/>

Celebrating Haight Guitars played by Valley artists in every musical style. The best CD ever!

I will be sending a free Lovin' Haight Guitars CD to the first 5 reviews I get (remember to send me your address). Thanks 🎸
