Benefit pays hospital bills [▶ Go To Video Page](#)

Norm & I would like to thank everyone who participated in the *Fiesta Italiana Dinner & Concert Benefit* at Living Water Lutheran Church last Sunday, and all those who have helped us out in your own ways. The warmth of heart that comes from the generosity of friends during a time of need is something that cannot be adequately expressed – only cherished forever.

Are you covered? [▶ Read about Insurance Lies](#)

We thought we were covered, and not just by medical insurance. Click the button to learn from our misconceptions so you won't be caught short like we were.

New Website a great success [▶ go to HaightGuitars.com](#)

Our new website got great reviews. We are updating and adding things almost everyday. The next major addition will be a calendar page and should be available by Friday. We're also adding two new consignments: a Martin D76 and a Martin HD28VS. Keep an eye out for these and more exciting new instrument arrivals.

How do you like my new Love Notes format? Reply and let me know.

Take care,

Sharon Haight
